Intermediate Grade

Historical Review
of all the Popes who
have shepherded Holy Church
founded by Our Lord Jesus Christ

Introduction

Overview of the two hundred and sixty-six Popes
1) Six reprobate Popes who are in the eternal fire of Hell, namely:
   - Clement V
   - Clement VI
   - Alexander VI
   - Leo X
   - Paul IV
   - and Clement XIV,
   who in their Pontificates, though they were perverse and abominable in God’s
eyes, nonetheless never erred when solemnly teaching the Church in accord
with their Office as Universal Doctor.
2) One Venerable Expiator Pope, namely Boniface VII, who is in Purgatory
   which he shall leave at Christ’s Return to earth to establish His Messianic
   Kingdom of peace. This Venerable Expiator is the only Pope who was
   antipope prior to becoming Pope.
3) Two hundred and fifty-eight Blessed Popes; of whom one hundred and ten
   expiated their faults and failings in Purgatory.
4) One Pope happily reigning.
5) Of the two hundred and sixty-six Popes, only one resigned, namely Saint
   Celestine V.
6) During their respective Pontificates, the first seventeen Popes were Superior-
   Generals of the Order of Essenes or of Mount Carmel by automatic
   succession.
7) Throughout the history of Christ’s Holy Church, all the Popes, including the
   six reprobates and the Venerable Expiator, at all times vigorously opposed
   the abolition of Sacrosanct Priestly Celibacy.
8) In parallel with the Pontificates of the Popes who have shepherded Christ’s
   Holy Church, down through the centuries there have been more than one
   hundred antipopes who sowed cockle all about.
